

NORTH AMERICA REGION 10

Biennial Conference

Voices of the Vulnerable

Bridging Nursing Leadership, Research, & Practice

March 24 & 25, 2023

The Kensington Hotel, Ann Arbor, Michigan

Learning Outcomes

- *Friday* *The participant will learn about implicit bias and how it can impact practice*
- *Saturday* *The participant will learn about the current state of leadership, research and practice in today's health care environments particularly as it relates to vulnerable populations*

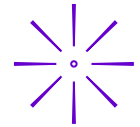

Friday March 24, 2023

5:45pm – 7:15pm *Registration and Networking*

6:15pm – 7:15pm *Hors d'oeuvres and Cash Bar*

7:15pm – 7:30pm *Welcome & Introductory Remarks*
Sandra Maxwell, MN, BScN, RN, Region 10 Conference Chair & Region 10 Coordinator

7:30pm – 8:30pm ***Privilege: The Common Denominator*** *(This presentation meets the LARA requirement for 1 hour of Implicit Bias Training)*
Nutrena Tate PhD, MBA, APRN, CPNP-PC (Plenary Speaker)

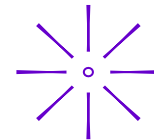

Saturday March 25, 2023

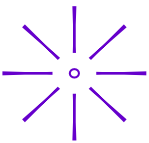

7:45am – 8:15am *Breakfast*

8:15am – 8:30am *Welcome*
Sandra Maxwell, MN, BScN, RN

8:30am – 9:30am ***Reconsidering Pain Management 2023***
Terri Voepel-Lewis, PhD, RN, FAAN (Plenary Speaker)

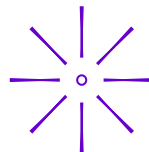

- 9:30am – 9:45am Quick Refreshment Break
- 9:45am – 10:45am **Human Trafficking 2023**
Nathaniel Y. Han - FBI (Plenary Speaker)
- 10:45am – 11:10am Refreshment Break and Poster Viewing See Session F for details, pp. 5-6 (Breakout Room Set-Up)
- 11:10am – 12:40pm **Concurrent Oral Session I** (Please choose A, B, or C; While it is possible to move from room to room, please be considerate of others when exiting/entering different rooms)

Session A: Voices of the Vulnerable: Adults Living with Illness

- A1:** *Safeguarding Survival: Older Persons with Multiple Chronic Conditions’ Unplanned Readmission Experiences: A Mixed Methods Systematic Review*
Robin Coatsworth-Puspoky, PhD, RN; Sherry Dahlke, PhD, RN, GNC(C); Wendy Duggleby, PhD, RN; & Kathleen F. Hunter, PhD, NP, RN, GNC(C)
- A2:** *The Lived Experience of Homeless Individuals with Type 2 Diabetes Mellitus (T2DM)*
Dorothy Jean Hamilton, PhD, RN; Denice Sheehan, PhD, RN, FPCN; Pamela Stephenson, PhD, RN; & Joan Thoman, PhD, RN, CNS
- A3:** *Decreasing Time to Antibiotics for Patients with Sepsis in the Emergency Care Setting*
Sherry Kaufman, DNP, FNP
- A4:** *Factors associated with an identified need for comprehensive geriatric assessment referral in older emergency department patients*
Fabrice Mowbray, PhD, RN

Session B: Voices of the Vulnerable: Educational and Research Perspectives

- B1:** *An initiative to improve graduate education by utilizing simulation to educate nurse practitioner students about opioid management and Medical Assistance in Dying (MAiD)*
Sherry Morrell, NP, MCISc-woundhealing, PhD; Gina Pittman, NP, PhD; Debbie Rickeard, DNP, MSN, BScN, BA, RN, CNE, CCRN; Amanda McEwen, MScN, BScN, BSc (Honours Bio.), RN; Huda Manfoukh, Year 4 BScN Student; & Brett Parent, Year 4 BScN Student
- B2:** *Nailing Jell-O to the Wall - Unfolding Case Studies through Virtual Simulation*
Debbie Rickeard, DNP, MSN, BScN, BA, RN, CNE, CCRN; & Amanda McEwen, MScN, BScN, BSc (Honours Bio.), RN
- B3:** *Mixed Methods Systematic Review Prioritizing Qualitative Meta-Synthesis Findings: Challenges and Learnings*
Robin Coatsworth-Puspoky, PhD, RN; Wendy Duggleby, PhD, RN; Sherry Dahlke, PhD, RN, GNC(C); & Kathleen F. Hunter, PhD, NP, RN, GNC(C)

11:10am – 12:40pm
continued

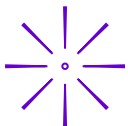

Concurrent Oral Session I continued

Session C: Voices of the Vulnerable: Mothers and Children

- C1:** *Working with a School Nurse to Educate High Risk Youth About Healthy Living*
Mary Jean Ohns, DNP, APRN, CPNP-AC/PC, CCRN; Faith Gosser, Senior undergraduate baccalaureate nursing student; Kaylee Britton, Senior undergraduate baccalaureate nursing student; & Meghan Christopher, Senior undergraduate baccalaureate nursing student
- C2:** *Associations among perinatal antidepressant use, neonatal abstinence syndrome, and maternal-delivered care among pregnant patients with opioid use disorder.*
Rebecca Williams, RN, BSN, BS, Doctoral student & Clayton Shuman, PhD, MSN, RN, Assistant Professor.
- C3:** *Population Health- The Importance of a High Risk Breast Cancer Prevention Program*
Eileen Fleming, MSN, RN, NE-BC & Sharon Lieb Inzetta, RN, MS, CBCN, CN-BN, ONN-G
- C4:** *An Integrative Review of African American Women's Gestational Weight and Infant Outcomes*
Donna Manlongat, PhD(c), RN & Deborah Walker PhD, CNM, FACNM, FAAN

12:45pm – 1:45pm Lunch and Poster Viewing (See Session F details on pp. 5-6)

1:45 pm – 3:15pm **Concurrent Oral Session II** (Please choose D or E; While it is possible to move from room to room, please be considerate of others when exiting/entering different rooms)

Session D: Voices of the Vulnerable in Communities

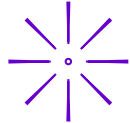

- D1:** *Do Barriers Exist That May Impact Decision Making for Routine Screening Mammogram Among Nurses Working in an Urban Community Teaching Health System?*
Eileen Fleming, MSN, RN, NE-BC & Sharon Lieb Inzetta, RN, MS, CBCN, CN-BN, ONN-G
- D2:** *COVID-19 Vaccine Acceptance among Korean American Immigrants in Mid- Michigan*
Grace Djapri, MSN, RN
- D3:** *Examining Ableism Targeted at Neurodivergent Women and Gender Diverse People in Healthcare*
Tess Carichner, Undergraduate nursing student at University of Michigan School of Nursing and research assistant in the DISCO Digital Accessible Futures Lab

D4: *Forming Authentic and Purposeful Relationships with Racialized Communities from an Anti-Opressive Lens: A Framework for African, Caribbean, and Black Communities*
 Nadine Wathen, PhD; Jaimeson Canie, RN, BScN, MScN; Anne-Marie Sanchez, MA; & Selma Tobah, MHIS

1:45 pm – 3:15pm
 continued

Concurrent Oral Session II continued

Session E: Voices of the Vulnerable: Professional Practice Implications

E1: *Thinking, Feeling, Behaving: Using the MINDBODYSTRONG® intervention to improve nurse wellbeing*
 Deborah M. Price, DNP, RN; Nicole Figueroa, MSN, RN; Linda Macera-DiClemente, DNP, RN; Sue Wintermeyer-Pingel, DNP, RN; Penny Riley, PhD, RN; & Dana Tschannen, PhD, RN

E2: *The Impact of COVID-19 on Nurse Practitioner Practice and Patient Presentation in Ontario: A Qualitative Study*
 Gina Pittman, NP, PhD; Sylwia Borawski; Twinkle Patel; & Aya Dannaway

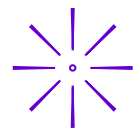

E3: *Moral Injury in Nurses During COVID-19*
 Julie Jubak, DNP, APRN-CNP; Kimberly Stanislo, DNP, APRN-CNP, LSN, CPNP-PC; Diane B. V. Bonfiglio, PhD; Jacqueline K. Owens, PhD, RN, CNE; & Teresa Moorman, MSN, RN, NPD-BC, CCRN-K

E4: *Nurses' Perceptions of Culturally Competent Care at the Bedside*
 Judith Cox, PhD, MSN, RN

3:15pm – 3:30pm Refreshment Break and Poster Viewing (Session F details on pp. 5-6;(Plenary Room Set-Up)

3:30pm – 4:30pm **Moving Forward After Challenges**
 Nicole Figueroa, MSN, RN, AHN-BC, HWNC-BC (Plenary Speaker)

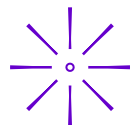

4:30pm – 5:00pm Closing Remarks and Evaluation
 Sandra Maxwell, MN, BScN, RN

Session F: Voices of the Vulnerable: Poster Presentations

- F1:** *Transformational Leadership and Retention of Nurses: An Integrative Review*
Becky Goens, BScN, RN, MScN Student & Natalie Giannotti, PhD, RN, BHK
- F2:** *Supervised consumption sites: A strategy to overcome the opioid crisis in Ontario, Canada*
Aleksandra Ilievska, RN, MScN student & Natalie Giannotti, PhD, RN, BHK
- F3:** *Effect of Honey Dressings on Wound Healing in Acute and Chronic Patients*
Jasmin Ashriem
- F4:** *The registered nurse role in primary care: A focused ethnography*
Faith Fauteux, RN, MScN (student)
- F5:** *Nurse Perspectives on Family-Centred Rounds in Adult Critical Care Units*
Felicia Varacalli, RN, MScN (student); Jody Ralph, PhD, RN; & Gina Pittman, NP, PhD
- F6:** *Case Report Title: Rehabilitation Management of a Transgender Man with a Spinal Cord Injury (SCI): An Interdisciplinary Approach*
Janice Schuld, MSN, CRNP, ANP-BC, CRRN; Guy Fried, MD; & Remi Ojumu, MSW, LSW, CCM
- F7:** *Effect of Abdominal Binders on Postoperative Pain in Abdominal Surgery Patients: Implications for Best Practice*
Mattison Edinger-VanAtta, (BSN Student)
- F8:** *Nurse Educator Understanding of Trauma [and Violence] Informed Care and its incorporation into baccalaureate nursing education in Ontario, Canada*
Rachel Elliott, RN, BScN, MScN, PhD(c)
- F9:** *Effects of a game-based intervention on undergraduate nursing students' mastery of disaster management principles: A mixed-methods study*
Andre Lanoue, BScN student, University of Windsor; Nicole LaRue, BScN student, University of Windsor; & Rachel Elliott RN, BScN, MScN, PhD(c)
- F10:** *Nursing Leaving Profession in First Two Years*
Stephanie Tate, PhD, MBA, MSN, APRN- CNP, PCCN
- F11:** *The Path of Pregnancy and Perinatal Loss: An Educational Module for Perinatal Nurses*
Susan Wintermeyer-Pingel, RN, MS, ACNS-BC; Carol Ott, PhD, RN; Julia Seng, PhD, CNM, FAAN; & Heather Vartanian, PhD, RN, ANP-BC
- F12:** *Nurse Practitioner Opioid Prescribing and Educational Requirements in Canada and the United States: A Narrative Review*
Sylvia Borawski, 4th Year BScN, University of Windsor; Gina Pittman, PhD, NP; & Jody Ralph, PhD, RN

- F13:** *Biopsychosocial Attributes of Single and Multi-Region Pain during Early Adolescence*
Thea Senger-Carpenter, MSN, PPCNP-BC; Rachel Lenko, PhD, RN; Deanna Marriott, PhD; Julia Seng PhD, CNM, FAAN; Robert Ploutz-Snyder, PhD, PStat; & Terri Voepel-Lewis, PhD, RN
- F14:** *Using an Equity Walk to Create Inclusive Learning Environments for Undergraduate Nursing Students: A Participatory Action Project*
Rachel Elliott, RN, BScN, MScN, PhD (c); Edward Cruz, RN, PhD; Gina Pittman, NP, PhD; Sherry Morrell, NP, PhD; & Debbie Sheppard-Lemoine, RN, PhD
- F15:** *Implementation of a Structured Quiet Time: A Quality Improvement Project*
Emily Laroque DNP, RN

Plenary Faculty

Nutrena Tate PhD, MBA, APRN, CPNP-PC

Associate Dean of the College of Health Professions and McAuley School of Nursing, University of Detroit Mercy.

Terri Voepel-Lewis, PhD, RN, FAAN

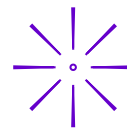

Associate Professor of Nursing and Associate Research Scientist
Department of Anesthesiology
University of Michigan

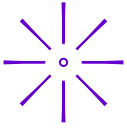

Nathaniel Y. Han

Federal Bureau of Investigation
Special Agent & Southeast Michigan Trafficking and Exploitation Crimes (SEMTEC) Task Force

Nicole Figueroa, MSN, RN, AHN-BC, HWNC-BC

Nurse Leader for Resilience & Wellbeing
Michigan Medicine Health System

Thank You

We are extremely grateful to the following Sponsors for their support. We are equally appreciative of the dedication, time, talent, and commitment made by members of the planning committee. Thank you all for making this event a tremendous success!

- Sandra Maxwell

University of Michigan Health and Nursing Professional Development & Education is accredited as a provider of nursing continuing professional development (NCPD) by the American Nurses Credentialing Center's Commission on Accreditation.

Up to 7.5 NCPD credits will be provided based on attendance.

To receive nursing NCPD credit, you must attend the sessions and complete an evaluation daily. Attendance for Friday will receive 1.0 NCPD and Saturday 6.5 CPDs.
